

2009

The La Visionaria Guild of Children's Hospital Central California is pleased to invite you to sponsor our new signature event, our Restaurant Take Over (RTO) in support of Children's Hospital!

As a Guild of Children's Hospital, the primary focus of our mission is to raise funds for the hospital. We plan on accomplishing this by holding 5-6 RTOs a year. A RTO is literally just that, we approach a locally owned restaurant and "take it over". La Visionaria Guild negotiates a base per person price with the restaurant, sets a per person ticket price and then commits to selling enough tickets to "sell out" the restaurant. **All proceeds benefit Children's Hospital!**

We are currently holding our 4th RTO at Piazza Del Pane Italian Café, 799 W. Palmdon Drive, Fresno, on July 14, 2009 and would be honored to have your support. **Our last three RTOs have been a great success and have sold out!** Our RTOs give our guests a chance to visit different restaurants throughout the Greater Fresno area, enjoy unique dining experiences, support our local Children's Hospital...and have fun!!

All proceeds will benefit Children's Hospital and the Guilds \$1 million pledge towards the establishment of the *Child Abuse Prevention & Treatment Endowment*. The effects of today's economic downturn have resulted in a child abuse crisis. Financial and unemployment stress are being taken out on children, and on any given day, 3-5% of Children's Hospital inpatient population is here because of abuse or neglect. From 2004-2006, 34% of children under the age of 1 entering our trauma programs were non-accidental traumas.

This endowment supports the Child Advocacy Center, providing a comprehensive, child-focused coordinator service for law enforcement, child protection professionals, prosecutors, victim advocates, and mental health and medical communities to work together when intervening in child abuse cases.

It is very difficult to tell personal stories about child abuse victims – help give a voice to the young victims of abuse who are not able to tell their own stories and sponsor La Visionaria Guild's Restaurant Take Overs!

Please take a moment to review the following sponsorship levels and benefits and consider how you can support this inspiring cause. It is the generous support of the community that makes Children's Hospital a Center for Excellence in children's health care.
